## WHY EMECO

Sustainable and built to last.  
Made in the US since 1944.

emeco

## **FURNITURE FOR TOUGH COMMERCIAL ENVIRONMENTS?**

Not a problem. Our first chair, the 1006 Navy chair, was built for the US Navy in 1944 to withstand torpedo blasts. We've been making resilient and reliable furniture in Hanover, Pennsylvania, ever since.

## **HEALTHY PEOPLE, HEALTHY PLANET, HEALTHY BUSINESS.**

Our timeless furniture is designed for planet and people alike. Made from circular, non-toxic materials and easy to clean, our products can contribute to a healthy, sustainable interior that will stand the test of time.

## **OUR PRODUCTS ARE:**

- Certified strength & stability for commercial applications (ANSI/BIFMAX5.1)
- Certified Clean Air Gold or Silver (VOC emissions indoor air quality)
- Declared Health Product Declarations (HPDs) disclosed to 1,000ppm
- Carbon footprint declared
- Built for longevity
