

Weatherproof, worry-free, and seriously stylish! Outdoor all-stars from Emeco + Magnuson Group

Customizable Modular Furnishings

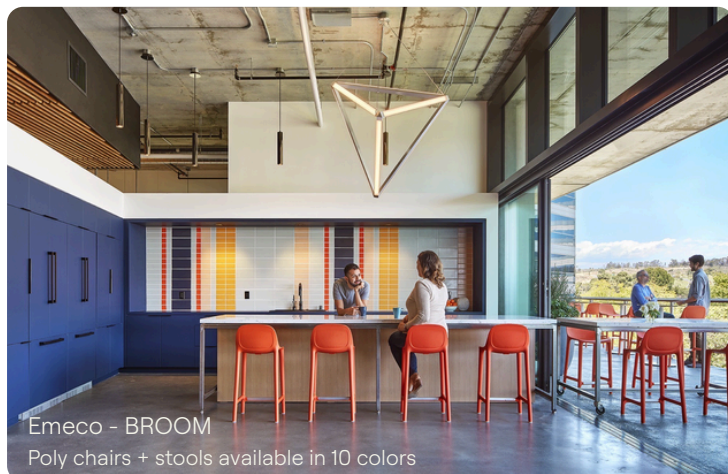

Magnuson Group offers modular planters and waste receptacles that come in many shapes and sizes.

Magnuson Group - CREPE
Indoor/Outdoor planters in 3 sizes

Recycled Wood-filled Polypropylene (WPP)

Broom was Emeco's first collection to use reclaimed polypropylene mixed with wood & sawdust that would normally be swept into the trash.

Emeco - BROOM
Poly chairs + stools available in 10 colors

Emeco - On and On
Stacking poly chairs + stools

Magnuson Group - UMEA
Outdoor waste receptacles

Emeco - Navy Lounge
Upholstered lounge chairs + sofas

Emeco - Run
Tables, benches + storage

Emeco - 1006 Navy
Aluminum chairs + stools

Acoya - sustainable wood for outdoor use

Made from fast-growing pine, Acoya is treated in a non-toxic process similar to pickling that makes it durable, rot-resistant and dimensionally stable.

Recycled Aluminum - the OG!

Emeco's first chair. Built from recycled aluminum. Made in America, with a Lifetime Warranty.
